SENATOR REVEALS CIA AGENTS CLOAKED AS NFLSV

East Berlin Domestic Service in German 0919 GMT 21 October 1965--G

(Heinz Wunderlich commentary)

(Text) Embitterment against the Americans is growing with the number of devastated
villages, ricefields, and plantations. This policy and the war in Vietnam with
increasing frequency constitute U.S. interests in the minds of the Vietnamese people.
This remarkable admission was recently made on a West German television program. Further-
more, officials in Washington and in Saigon also know that the Vietnamese people do
not want war, that they feel drawn to the liberation fighters.

Now the men around Johnson have devised a new type of warfare intended to discredit
NFLSV partiots in the eyes of the people. After his return from Vietnam, U.S.
Democratic Senator Stephen Young made instructive revelations to journalists on
20 October. Hundreds of CIA agents are employed in South Vietnam. Their mission:
They disguise themselves as NFLSV soldiers and intentionally commit heinous crimes
against the civilian population. They murder and rape to arouse hatred against the
patriots.

Senator Young, whose revelations are based on statements of a CIA agent in South
Vietnam, wants the Senate Armed Services Committee, of which he is a member, to hold
a strict investigation of these affairs. It is a matter of fact that even these
methods of the U.S. intelligence service will not and cannot prevent the
defeat of the U.S. interventionists and their helpers.

(Editor's note: The East Berlin Domestic Service at 0936 GMT on 21 October carries
the following news item: "After his return from South Vietnam, U.S. Democratic
Senator Stephen Young charged the CIA with having committed atrocities. CIA agents
disguised themselves as members of the liberation army, Senator Young declared. Under
this disguise they committed murder, plunder, and violence intended to arouse hatred
against the liberation fighters. The Senator wants an investigation of this by the
Senate Armed Services Committee of which he is a member.")
